MEMORANDIUM

To: Mayor & City Council
From: Jeff Martens, Assistant City Administrator
Re: Slavery and Human Trafficking Prevention Month
Date: 1-23-23

Mayor & Council

Human Trafficking Awareness Month is observed in January. Braking Traffik, a program of Family Resources, is trying to raise awareness and educate more people about the problem. The quest for more awareness and education is also a priority for the Iowa Network Against Human Trafficking a statewide organization of which Eldridge resident Deanna Valliere is a board member. Deanna has asked Eldridge to join our neighboring communities in proclaiming January as Slavery and Human Trafficking Prevention month.

Proclamation for Slavery and Human Trafficking Prevention and Awareness Month

WHEREAS, the United States was founded upon the principle that all people are created with the unalienable right to freedom, and added the 13th Amendment to the Constitution making slavery illegal; and

WHEREAS, human trafficking is modern-day slavery, claiming nearly 40 million victims worldwide, and found in the United States most often in the form of sexual exploitation, forced labor, involuntary servitude, and debt bondage; and

WHEREAS, this horrific crime, which denies human dignity and freedom, and fuels organized crime, exists in our nation, our state and our own community, and

WHEREAS, even though awareness of this crime is growing, human trafficking continues to go unreported due to its isolating nature, the misunderstanding of its definition, and the lack of awareness about its indicators; and

WHEREAS, increased community education on how to identify victims of human trafficking along with increased knowledge of local resources and services for those affected by these criminal actions can help restore freedom and dignity to identified survivors, as well as help diminish the number of future victims; and

WHEREAS, every business, community organization, faith community, family and individual can make a difference by choosing products that are not made by forced labor; by working to protect our young people from sexual exploitation; by addressing the problem of internet sex trafficking and pornography; and by becoming more aware of the problem and possible solutions; and

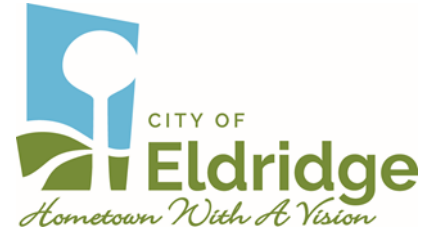

WHEREAS, the City of Eldridge joins The Iowa Network Against Human Trafficking and Slavery and Braking Traffik, a program of Family Resources, in their dedication to providing community outreach and education, legislative advocacy, training, promotion of services to survivors of human trafficking, and collaboration with law enforcement; and

NOW, THEREFORE, I Frank King, Mayor of Eldridge, Iowa, do hereby proclaim the month of January as Slavery and Human Trafficking Prevention and Awareness month, and encourage all our citizens to become more informed on this growing problem, to be vigilant and report suspicious activity, and to work towards solutions to end trafficking in all its forms in our community. If you see something that doesn't look right, take action and call the National Human Trafficking Hotline at 888-373-7888.

MEMORANDIUM

To: Mayor and City Council
From: Jeff Martens, Assistant City Administrator
Re: Off-Premise Advertising Sign Ordinance Review
Date: 1/23/23

Mayor and City Council,

At the January 5, 2023, Board of Adjustment meeting Robinson Outdoor approached the board about placing a 10'x20' electronic billboard in the parking lot of QC Autoplex, 110 S. 9th Ave. owned by Joe Zrostlik and Scott Wolfe. This type of sign is allowed in a C-3 district with a Use on Review but would require variances due to the distance from nearest billboard in town and distance from nearest residential district at this location. During the course of this meeting questions were asked by the BOA concerning the age of our sign ordinance and how long it had been since the council reviewed it. They also wondered what the distance requirements are of surrounding communities.

The BOA and Councilman Cheek thought a review of this ordinance by the City Council might be in order before they took action to see if the current requirements still lined up with the vision of the council. The BOA asks that you review the following information and discuss it to see if you believe any changes to the distance requirements in our city off-premises sign ordinance are in order.

The Eldridge Off-Premise Advertising Sign distance requirements are currently ½ mile (2640') from the nearest other Off-Premise Advertising Sign (billboard) and 1000' from the nearest residential district.

The Iowa DOT requires the following distances between billboards / off premise advertising:
250 ft. in Cities and 500 ft. in rural areas.

Other cities in Iowa require the following distances:

City:	Distance Between Billboards:	Distance From Residential:
LeClaire (4,708)	I=1000, C-3=700, C-1 Not allowed	Not Specified
