5. Legal Description: Lot _____ Subdivision _____

6. Site Address _____

7. Area of Site: _____ acres; Approximate Area to be Disturbed: _____ acres.

8. I am aware that the soil loss limit regulations, pursuant to Section 161A.64, Code of Iowa, prohibit sediment from leaving the site in excess of the limits specified by the SWCD and I hereby certify that the land disturbing activities described on the front of this application will be conducted in a manner that will ensure compliance with the soil loss limit regulations.

APPLICATION MUST BE SIGNED AND DATED.

By signing this permit application form the permittee understands that:

- a) This permit must be approved
- b) The controls indicated on the PLOT PLAN must be in place
- c) The site must be inspected by the enforcement official and passed prior to any land disturbing activities (unless this is required to install the controls).
- d) The topsoil will be preserved to the maximum extent practical for reuse before final vegetation is applied
