

Dear New Resident,

Welcome to the City of Eldridge! We are thrilled you chose our beautiful town to call home and would like to extend a warm welcome to our community. Moving to a new area is always a challenging time: new neighbors, schools, shopping areas, etc. We look forward to assisting you in discovering all that Eldridge has to offer.

In an effort to assist you in this process, we have compiled some general information that you may find helpful. We also suggest you keep this on hand for future reference. In this packet, you will find information about city offices and phone numbers, utilities and payments, trash and recycling, yard waste, and much more.

City Hall is located at 305 N 3rd Street and the office hours are Monday through Friday from 8:00 a.m. to 4:30 p.m. During these times you can stop in and make payments, get building permits, or visit with our friendly staff about anything Eldridge-related, or give us a call at 563-285-4841. City Council meetings are held on the first (1st) and third (3rd) Mondays of each month. Community Center Board meets on the second (2nd) Wednesday of each month. Park Board meets on the second (2nd) Tuesday of each month. Plan and Zone meet on the third (3rd) Thursday of each month. The Utility Board meets on the first (1st) and third (3rd) Tuesday of each month. These are open to the public, so please, feel free to attend one or as many as you would like.

The **Eldridge Police Department** is also located at 305 N 3rd Street and the office hours are Monday through Friday from 8:00 a.m. to 4:30 p.m. If there is an emergency, please call **911**. If you need non-emergency police assistance, the phone number is 563-285-9822 (this will ring through Scott County after office hours). Bicycle, golf cart, and animal registrations are also issued through this department. There is always an Eldridge Police Officer on duty.

The **Eldridge Volunteer Fire Station** is located at 120 N 2nd St. If there is an emergency, please call **911**. If you wish to contact the fire department for other business, please call 563-285-9827. Phone messages will be reviewed weekly as the station is unmanned. You may also email them at station@eldridgefire.com. If you wish to become a volunteer, please visit their website at www.eldridgefire.com.

The **Eldridge Community Center/Skatepark** is located at 400 South 16th Avenue. The Community Center is a self-supported facility owned by the City of Eldridge. Rooms are available for meetings, workshops, banquets, wedding receptions, and other gatherings. A multi-purpose roller skating rink is in the facility. Public skating is Sunday afternoons, Friday evenings, and weekdays seasonally. If you have any questions regarding the Community Center, please call 563-285-0123. The **Senior Citizen Meal** site is also located at the Community Center. Meals are available by reservation for noon on Monday, Wednesday, and Friday. Further information is available by calling Milestones Area Agency on Aging at (563) 324-9085.

The **Eldridge Parks** offers a wide variety of activities for each member of the family to enjoy. With seven parks covering over 70 acres, amenities include shelters to rent for events, restrooms or porta-potties, picnic tables, sand volleyball courts, playgrounds, pickleball courts, and baseball diamonds.

City Website- Our official municipal website for the City of Eldridge includes information about city services, departments, administration, and meetings. You are also able to make your payments for your utilities and your building permits as well as make reservations for park shelters. www.cityofeldridgeia.org

The next section will be City Ordinances that may affect you in your everyday life. All ordinances can be found on our city website. If you have any questions regarding the ordinances, please contact us at City Hall, at 563-285-4841.

Animal Ordinance - Eldridge requires the licensing of dogs & cats and immunization for rabies. Licenses may be obtained at the Police Station upon presentation of a valid rabies certification. Renewal of an animal license must be paid by April 30th of each year to avoid a late charge. You must clean up after your pet on public or private property. Dogs & Cats are forbidden to run loose. If your dog or cat gets loose, contact the Police Office at 563-285-9822, it may have been picked up. If the animal is not licensed and picked up there will be an additional fee.

Building Permits - City ordinance requires a permit for new construction, remodeling, electrical work, plumbing installation, heating, air conditioning, roofing, siding, fencing, public sidewalks, driveway approach, accessory buildings larger than 120 sq. ft. of floor area, etc. Permits can be obtained from the City Building Inspector at City Hall. Violation of this ordinance can result in a severe penalty.

Grass, Weeds, and Trees - The City of Eldridge has an ordinance prohibiting weeds and grass from being higher than 6 inches. There is also an ordinance for trees that states the owner or agent of the abutting property shall keep the trees on, or overhanging, the street trimmed so that all branches will be at least thirteen feet above the surface of the street and nine feet above the sidewalk. If a notice is mailed out that you are violating one of these ordinances, you will have 10 days from the letter's date to make corrections or the city will take care of it, and you will be charged for the service.

Major Recreational Vehicles - The City of Eldridge has an ordinance prohibiting the parking of Major Recreational Vehicles on a city street or on a driveway beyond the front yard or side yard setback for more than 48 hours. The definition for purposes of this ordinance, major recreational vehicles are defined as boats and boat trailers, pick-up campers, or coaches (designed to be mounted on automotive vehicles), motorized dwellings, tent trailers, utility trailers, enclosed trailers, travel trailers, campers, and similar vehicles.

Snow Removal – After two (2) or more inches of snowfall, or any other time a snow emergency is declared, all vehicles must be parked off the street to allow snow removal. Parked vehicles found blocking the snow removal process will be ticketed and/or towed away at the owner's expense. It is further required that sidewalks are cleared as soon as possible after the snow stops. In the event such snow and/or ice remain more than thirty-six hours (36) hours, then the city may remove snow and/or ice at the owner's expense.

Special Snow Emergency Parking is available at these locations:

- City Parking Lot at N 3rd St & Franklin
- Faith Lutheran Church, N 5th St along the north edge of this lot
- Junior High School Lot on S 5th St in the SE corner of this lot
- On the street along Centennial Park, on the west side of N 3rd St and the east side of N 4th St, between Donahue and Davies Streets
- Cornerstone Baptist Church, E LeClaire Rd in the SE Corner of the parking lot

Each of these parking areas are identified with signs. All vehicles must be moved from these areas within 48 hours of the end of a snow emergency. Please contact us at City Hall at 563-285-4841 or the Police Station at 563-285-9822 if you cannot find a place to park and we can help you to find an acceptable place to park.

Eldridge Electric and Water Utility

Eldridge has a long tradition of quality public services and a well-maintained infrastructure. The city has owned and operated its own electric, water, and sewer utilities for many years. Lower utility rates and high standards of service have supported the growth of the city. Provided below is information on rates, types of service, and any regulations that pertain to our billing system. For gas service, please call MidAmerican Energy at 888-427-5632.

Meter Deposits – Utility Resolution requires each customer to sign a request for utility service and post a deposit of \$100.00 on electricity and \$50.00 on water before service can be provided. Your deposit will be applied to your account after 12 consecutive on-time payments. If you should move during that time, your deposit will be credited to your final bill. The City Inspector and Utility Personnel shall have access to the meters, wires and pipes at all reasonable times of the day and night as provided by law. The customer shall be responsible for any loss or damage to city property due to negligence while used in the custody of the customer. The City or Utility shall not be liable for failure to supply service interruptions due to construction or act of God.

Billing - We read meters on or near the 23rd of the month. Your bill is mailed out on the last day of the month and is due on the 20th. If we do not receive payment by the 20th, you will be assessed a late fee. Accounts not paid by the 20th are considered delinquent and shall have past due payment penalties applied to the balance. Your bill will come via mail, but if you would like to receive it by email, you may sign up by sending us an email at utilitybilling@cityofeldridgeia.org. If you have any questions regarding your bill please call us at City Hall at 563-285-4841.

Methods of Payments – There are several ways to pay. Cash can be dropped off in City Hall or we have a drop box on the front of the building. Be sure to have your bill stub or name and address in the envelope. You can mail a check, money order, or drop in the drop box. We accept Bill Pay from your bank, but actual checks are mailed to us. Be sure to allow for mailing time. We offer pay by telephone by calling 866-795-5820. You can also make payments online at www.cityofeldridge.org. We accept Mastercard and Visa or Discover for a small fee of \$1.25. You can also pay by e-check online for no fee. While online you can set up autopay for any day that suits your budget. If you would like us to initiate an autopay, we can do that. We will need you to fill out a form and provide a voided check. This is a free service. The funds will be withdrawn out of your account on the 18th of the month.

Below are copies of the city's utility rate schedules. Water has both chlorine and fluoride added according to State specifications.

Resolution 2022-02 E&W

Electric Rates

Effective Date: February 1, 2021

Revised and Adopted: January 18, 2022

As provided in this Resolution, summer rates shall be for usage during the months of June through September, and winter rates shall be for usage during the months of October through May.

- 1. Residential:** Applicable to single-family residences, individually metered apartments, and churches for all domestic purposes, including space heating, when all services are supplied through a single meter and whose entire requirements are provided by the electric utility. Not applicable to resale, stand-by, or auxiliary service.

	Winter	Summer
Customer Charge	\$10.00	\$10.00
All energy.....	0.0690 per KWH	0.0790 per KWH

2. **Residential - All Electric:** Applicable to single-family residences and individually metered apartments for all domestic purposes, including space heating, when all services are supplied through a single meter and whose entire requirements are provided by the electric utility, and the primary source of winter space heating is electrical energy. Not applicable to resale, stand-by or auxiliary service.

Customer Charge	\$10.00	\$10.00
All energy.....	0.0590 per KWH	0.0790 per KWH

3. **Commercial:** Applicable to non-residential customers whose monthly demand does not exceed 100 kW per month and whose entire requirements are provided by the electric utility. Not applicable to resale, stand-by, or auxiliary service.

Customer Charge	\$14.00	\$14.00
All energy.....	0.0770 per KWH	0.0870 per KWH

4. **Industrial:** Applicable to non-residential customers whose monthly demand exceeds 100 kW per month. Customer shall remain on Industrial rate until demand drops below 100 kW for three (3) consecutive months. Not applicable to resale, stand-by, or auxiliary service.

	Winter	Summer
Customer Charge	\$75.00	\$75.00
Monthly Demand Charge.....	\$12.00 per KW	\$12.00 per KW
All energy.....	0.0293 per KWH	0.0393 per KWH

5. **Security Lights:** Applicable to all consumers for private outdoor lighting service when such lighting facilities are operated as an extension of the Utility's distribution system. The rate listed below is priced on using a pole provided by the Utility. If the pole is provided by the customer, deduct \$1.00 from the listed rate.

100 Watt HPS/50 Watt LED.....	\$7.16
400 Watt HPS/100-174 Watt LED	\$16.61

6. The above rates are based upon a base purchase power of 3.741¢/kWh (per kWh sold) and will be increased or decreased quarterly by a Power Cost Adjustment equal to the amount by which the average cost of electric energy incurred by the Utility in the quarter since the last preceding adjustment is greater or less than the base purchase power cost.

7. **Net Billing:** As provided in the Utility's Interconnection Standards, and subject to the terms thereof and revisions thereto, whenever the amount of electricity delivered by an eligible Customer Generator in a billing period is more than the electricity supplied by the Utility in a billing period, the Utility shall pay the Customer for the net amount of energy delivered by the Generating Facility. The Utility shall pay for such net amount of energy at the Utility's avoided costs rate in effect on the last day of the applicable billing cycle. The Utility may revise its avoided costs rate at any time and from time to time. The Utility shall make such payments for the net amount of energy delivered by the Generating Facility by applying the payment amount as a credit to the Customer's bill for the applicable billing cycle. The Utility's current avoided cost rate is \$0.031/KWH.

8. Demand for billing purposes shall be the maximum integrated kilowatt demand, as recorded by a standard demand meter, occurring in any sixty (60) minute interval, in the billing month.
9. These rates are based upon a power factor of not less than 85% lagging. Demand charges may be increased 1-1/2% for each 1% by which the customer's power factor is less than 85% lagging. The Utility shall have the right to install, at the expense of the customer, any facilities necessary to bring the power factor within such limit, or shall require the customer to install such facilities within sixty (60) days after receiving notice to do so.
10. KW and kWh, as used in this resolution, are abbreviations for kilowatts (kW) and kilowatt-hour (kWh).
11. These electric rates shall become effective for electric power and energy consumed after December 18, 2020. Section 6 hereof shall become effective upon the effective date of this resolution.
12. Bills are mailed on the first of each month and are due upon receipt. After the 20th of each month, late payment penalties will be applied.
13. Repealer Clause. All resolutions, parts of resolutions, or service rules in conflict with the provisions of this resolution are hereby repealed insofar as the conflicting portions thereof are concerned.
14. Severability Clause. If any section, provision, or part of this resolution shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the resolution as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional.
15. Effective Date. This resolution shall be in full force and effect upon its passage and publication as provided by law.
16. Publication. This resolution and the schedules of rates and charges incorporated herein shall be published in full.

PCA Explanation - Energy prices across the country are on the rise due to a combination of factors. These include increased commodity prices and higher-than-normal natural gas prices. Natural gas is used to generate a large majority of the energy in the Midwest. EMU (Eldridge Municipal Utilities) wholesale cost has increased due to natural gas prices.

MISO (Midcontinent Independent System Operator) has indicated that there will be a capacity shortfall this year. This is due to the increased transition to renewables such as wind and solar and the retirement of coal generation. The shortfall means an additional increase in EMU's wholesale cost.

In 2020 EMU added a PCA (Power Cost Adjustment) to their electric rates. The PCA reflects fluctuating costs to purchase and generate electricity. An increase or decrease in the PCA is dependent on market conditions. The PCA is included on your monthly statement and may be a credit or a charge depending on market conditions.

While our community often benefits from a low cost of living, energy prices are rising nationwide. The increase in commodity prices and higher-than-normal energy prices will affect the PCA. Eldridge customers should expect to see an increase in the PCA over the next several months. The PCA is designed to cover the increasing or decreasing cost of purchasing and generating electricity. EMU does not profit from the PCA in any way. Rest assured that EMU is committed to keeping electric rates as low as possible.

Moving Forward Eldridge Municipal Utilities will continue to monitor costs and work to ensure we will be financially solvent for years to come. We believe we can continue to provide excellent service at a reasonable cost for our community now and in the future.

Water Rates
Effective Date: February 1, 2024
Passed and Approved: December 5, 2023

Water usage is billed based on 100-gallon units.

0 up to and including 2,000 gallons.....	\$ 10.41
From 2,100 up to and including 100,000 gallons	\$0.52 per 100 gallons
Over 100,000	\$0.47 per 100 gallons

Ordinance 2022-05
Sewer Rates
Effective Date: April 1, 2022
Passed and Approved: February 8, 2022

Residential rates. Sewer rates for all single residential properties including property owned by any religious organization and used as a church, synagogue, or other places of worship, shall be based upon average water consumption as billed in the months of January, February, and March according to the schedule below. A single residential property is defined as a single-family home, an individual townhouse or row house, an apartment within a larger building, a mobile home, or any grouping of rental rooms using a common bathroom. All residential users shall be charged the same rate regardless of the location where wastewater is treated.

<u>Rate</u>	<u>Usage</u>
\$0.86/100 gallons	0 to 90,000 gallons
\$0.76/100 gallons	Over 90,000 gallons
\$38.62	Minimum billing

The bill, as determined by the average consumption described above, shall become effective with the April 1st billing of each year, and remain in effect until April 1st of the following year. Prior to April 1st of each year, average consumption shall be recalculated to determine if the residential customer's bill should be adjusted. Properties connected to sewer, but without metered water consumption, shall be subject to the minimum billing amount.

Commercial and Industrial Rates. Sewer Rates for non-residential users, including schools, shall be based upon monthly water consumption. All non-residential rates shall be charged the same rate regardless of the location wastewater is treated.

<u>Rate</u>	<u>Usage</u>
\$0.86/100 gallons	0 to 90,000 gallons
\$0.76/100 gallons	Over 90,000 gallons
\$38.62	Minimum billing

Disconnection or Denial of Service (Hearing): Customers denied service or disconnected according to the Service Plan shall have the right to a hearing. The customer may appeal against the resolution of the dispute to the governing body. If there is still a dispute involving areas of authority of the Iowa Utilities Board, the customer may appeal to that board as provided for in Section 199 of the Iowa Administrative Code. Any amounts due to the Utility not in dispute shall be due and payable within the guidelines of this Service Plan. Amounts in dispute shall not be due and payable until either agreement is reached or 30 days after written notification of resolution 19 by either the governing body or the Iowa Utilities Board. However, all disputes shall be settled, and any amounts due and payable within 60 days of the customer

filing a dispute with the Utility. Hearing procedures include:

The customer, a representative of the Utility, and the General Manager as the presiding officer shall convene at a mutually acceptable time. The customer has the right to also request the presence of the Chairperson of the governing body at the meeting, who shall become the presiding officer.

A recording of the meeting shall be made and retained by the Utility.

Both the customer and the representative of the Utility shall present relevant information to the General Manager and/or Chairperson of the governing body.

All documents presented by the customer shall be copied and returned to the customer. The presiding officer may request additional information at the hearing.

The presiding officer shall issue a written result and specify the reasons supporting the Utility's resolution.

Resolution 2021-44
Garbage Rates
Effective Date: January 1, 2022
Passed and Approved: December 6, 2021

The monthly rate for collection of refuse and recycling shall increase on January 1, 2022, January 1, 2023, January 1, 2024, and January 1, 2025, according to the following schedule.

<u>Effective Date of Increase</u>	<u>Per Household Rate</u>
January 1, 2022	\$14.99
January 1, 2023	\$15.44
January 1, 2024	\$15.90
January 1, 2025	\$16.38

Garbage - For new residents, the city will provide a 95-gallon tote. Extra garbage that will not fit in your garbage tote, must be placed in garbage bags only if you purchase the blue Republic extra bag stickers from city hall. These stickers are 1.50 + tax each. Garbage pickup is on Wednesday for residents on LeClaire Road and to the north of LeClaire, the golf course area, and everyone east of Highway 61. Pickup is Thursday for residents south of LeClaire Road (but not including LeClaire) except for Businesses and multi-dwelling homes excluding legal holidays when pickup will be the first workday after the holiday. Place containers near the curb with the silver bar toward the street, and the handles away from the street for convenient pickup.

Garbage should be set out no later than 6 a.m.

In an event that a holiday falls during the week, pick up will be one day later than the normal collection day, the holidays observed are as follows, New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day.

Recycling - Recycling items must be separated from normal household garbage. Recycling pickup is every other week, on your garbage day for all residents, excluding legal holidays when pickup will be the first workday after the holiday. Recycling should be set out by 6 AM. Totes for recycling have a gray lid and are 95-gallon. The recycling pickup fee is included in the Garbage pickup monthly fee. If you have more recycling than what will fit in your tote, you may visit the Scott Co Rural Recycling Drop-Off Site which is located ½ mile east of Scott Co Park's main entrance on 270th St.

Recycling Guidelines

When in Doubt, Throw it Out

ACCEPTABLE PAPER PRODUCTS

Newspaper	Office paper	Catalogs
Magazines	Phonebooks	Cereal boxes
Shoe boxes	Corrugated cardboard	Shredded paper

Snack boxes	Pop cartons	Paperback books
Greeting cards (no metallics)	Hardback books (covers removed)	Toilet paper/paper towel rolls
Gable Top Container (Orange Juice or Milk Carton)	Cans for chips and nuts (e.g. Pringles)	

ACCEPTABLE CONTAINERS

Plastics #1-#7 such as those from:		
Cleaners	Food containers	Bleach
Milk	Cooking oils	Pill bottles
Cosmetics & lotions	Shampoo & conditioner	Soft drinks
Detergents	Flower pots	Water or juice

Metal

Aluminum cans	Aluminum pie plates	Aluminum foil
Tin food/beverage cans	Coffee cans	

Glass

Beer bottles	Juice containers	Food containers
Pop bottles	Wine and liquor bottles	

NOT ACCEPTED	WHY?
Styrofoam	To add additional materials to the recycling program, there must be 3 solid markets within a 300-mile radius of Davenport. In short, these items cannot be accepted from residents if there is not an end user willing to purchase them.
Plastic bags	These can be recycled but through a separate process. Recycle them at area stores.
Items with food residue or grease stains Gift wrap, greeting cards with metallic designs	These items contaminate the recycling process.
Large quantities (dozen or more) of bound books and textbooks	Scott Area Recycling Center does not have the equipment to recycle high quantities of bound books but can provide assistance. Call (563) 386-9575 for details. Midland Davis Recycling in Moline accepts bound books. Call (309) 764-6723 for more information.
Mirror/window glass, crystal, drinking glass, ceramics, ovenware, light bulbs	The combination of ingredients used to make these products is different from what goes into container glass. This type of glass can pose a threat to workers & equipment at the recycling center.
Aerosol cans	Aerosol cans (empty or otherwise) are accepted through the Commission's Hazardous Material program.
Metal building materials or scraps	This type of metal can be recycled at the Scott Area Landfill or through a local metal recycler.

Yard Waste - Yard waste such as grass or leaves must be separated from normal household garbage and placed in 2-ply paper bags, up to 32 gallons, not weighing more than 50 lbs. These bags must have a City of Eldridge Yard Waste Sticker attached. The special tags imprinted 'City of Eldridge' may be purchased, in sheets of 5, from City Hall, North Scott Foods, or Merschman's Hardware. Curbside collection for bags with stickers will start the first Monday in May to October 15. During this time, all paper yard waste bags must have a CITY OF ELDRIDGE YARD WASTE "TAG" attached. To dispose of your own yard waste, a truck is located inside the gates of the city shop at 105 E. LeClaire Road. This truck will be available every Wednesday (9 am-5 pm) and Saturday (9 am-4 pm) starting in April and ending at the end of November. All waste must be in paper yard waste bags or loose. You must present a driver's license or another form of identification proving Eldridge residency when dropping off waste at the shop. **Curbside collection is free every Monday in April and the first Monday after October 15 for the next six Mondays.**

Tree limbs larger than 6" in diameter cannot be shredded and must be disposed of by the resident.

Small twigs and loose brush will only be picked up if placed in Eldridge yard waste bags for disposal, DO NOT include them in normal household garbage.

Brush such as tree branches, tree trimmings, twigs, and bushes will be collected curbside at no cost. The brush must not exceed six inches (6") in diameter, and no longer than five feet (5') in length. The brush must be bundled with a sturdy twine, with no wire, tape, or plastic ties. Tree stumps and root balls will not be chipped. Bundles must weigh no more than 50 pounds. **Branches not bundled properly will be left.** Place the brush curbside on Mondays for free pickup. There is no need to call in your address.

Christmas Trees may be placed at your curbside on your regular garbage collection day up to four garbage days after Christmas. Please do not put your tree in a plastic bag, this makes it hard to dispose of the tree.

Curbside Large Item Pick-Up - This service is provided for the disposal of large and bulky items that are not considered normal household waste. Please call City Hall at 563-285-4841 by Wednesday at 1 p.m. to schedule a pick-up for a large item for the following Thursday. One large item is allowed per week. Any extra items will need a large item sticker, which can be purchased at City Hall for \$12.50 + tax.

Items for Curbside Large Item Pick-Up

Furniture (Indoor or Outdoor)

Mattress and Box Springs (no metal box springs)

Toilet Fixture

Sink (non-metal)
