

Report Fees

January 1st, 2022

NOTICE: The Eldridge Police Department has for years sought to contain costs on administrative services to the public. However, we find that we are unable to continue with our previous rates. Effective immediately our agency will implement a new rate scale for person(s) requesting copies of case files and accident reports. The below rates are set to state averages and are designed to offset our actual cost in secretarial time in locating case files and making copies. We regret this increase and any inconvenience it may cause.

Effective immediately the following rates will apply to all non-law enforcement and non-prosecutorial requests.

| | |
|--|---------|
| Copy of single page call for service. | \$3.00 |
| Copy of any two-sided form. (Arrest or offense reports.) | \$6.00 |
| Copies of subsequent pages of initial report. | \$3.00 |
| Copy of complete accident report. | \$15.00 |
| Deep Archive Searches (Hourly) | \$21.00 |

** Cash or checks will be accepted; checks are to be made out to The Eldridge Police Department and may be delivered in person or sent to:
