Dear New Customer,

WE, of Eldridge, wish to welcome you and to extend an invitation for you to become an active member of our community. It is our hope that the pride, which we have in our City, will be contagious and that you will help to keep the community a clean, wholesome and progressive place in which to live. Here are bits of information which you may find helpful and may want to keep for future reference.

CITY HALL - office hours are 8:00 am to 4:30 p.m., Monday through Friday. City Council meetings are held the first (1st) and third (3rd) Mondays of each month. Community Center Board meets the second (2nd) Thursday of each month. Park Board meets the second (2nd) and fourth (4th) Tuesdays of each month. Plan and Zone meets the third (3rd) Thursday each month. The Utility Board meets on the first (1st) and third (3rd) Tuesday of each month.

METER DEPOSITS - City ordinance requires each customer to sign a request for utility service and post a deposit of \$100.00 on electric and \$50.00 on water before service can be provided. Your deposit will be applied to your account after 12 months if all payments have been paid on time. If you should move during that time, your deposit will be credited to your final bill. Meters are read on or near the 15th of the month and bills are mailed on the first (1st) with utilities being payable at the City Office on or before the 20th. Accounts not paid by the 20th are considered delinquent and shall have late payment penalties applied to the balance. Water has both chlorine and fluoride added according to State specifications. A copy of the City utility rate schedule is attached.

For **gas** service, call MidAmerican Energy in Davenport at ~888-427- 5632.

SANITATION - Garbage pickup is Wednesday for residents *on* LeClaire Road and to the north of LeClaire, and the golf course area. Pickup is Thursday for residents *south* of LeClaire Road (but not including LeClaire) except Businesses and multi-dwelling homes excluding legal holidays, when pickup will be the first work day after the holiday. Each week garbage will be limited to the garbage tote supplied to you by the city. If you have waste that exceeds the capacity of the tote provided you may obtain a specially marked extra garbage sticker at City Hall. Place containers near the curb with the silver bar toward the street, and the handles away from the street for convenient pickup. Garbage should be set out no later than 7AM..
(For complete list - see attached)

RECYCLING - Recycling items must be separated from normal household garbage. Recycling pickup is every other week, on your garbage day for all residents, excluding legal holidays when pickup will be the first work day after the holiday. Recycling should be set out by 7AM. Totes for recycling have a gray lid and are available at City Hall. You may request the bigger 95 gal.recycle tote if the 65 gal tote provided is not large enough. Recycling pickup fee is included in Garbage pickup monthly fee.
.
(For complete list - see attached)

YARD WASTE - Yard waste such as grass or leaves must be separated from normal household garbage and placed in 2 ply paper bags, up to 32 gallons, not weighing more than 50 lbs. These bags must have a CITY OF ELDRIDGE YARD WASTE "TAG" attached. The special tags imprinted 'CITY OF ELDRIDGE' may be purchased, in sheets of 5, from **City Hall, North Scott Foods or Eldridge True Value**. **Curbside collection for bags with stickers will start the first Monday in May to October 15. During this time all paper yard waste bags must have a CITY OF ELDRIDGE YARD WASTE "TAG" attached.** To dispose of your own yard waste, a truck is located inside the gates of the city shop at 105 E. LeClaire Road. This truck will be available every Wednesday (9am-5pm) and Saturday (9am-4pm) starting in April and ending the end of November. All waste must be in paper yard waste bags or loose. You must present a drivers license or other form of identification proving Eldridge residency when dropping off waste at the shop. **Curbside collection is free every Monday in April and the first Monday after October 15 to the last Monday in November. During free pick up you can still drop your yard waste at the city shop on Wednesdays (9am—5pm) & Saturdays (9am—4pm).** Tree limbs larger than 6" in diameter cannot be shredded and must be disposed of by the resident. Small twigs and loose brush will only be picked up if placed in Eldridge yard waste bags for disposal, **DO NOT** include in normal household garbage. **Brush** such as tree branches, tree trimmings, twigs and bushes will be collected curbside at no cost. Brush must not exceed six inches (6") in diameter, and no longer than five feet (5') in length. Brush must be bundled with a sturdy twine, no wire, tape or plastic ties. Bundles must weight no more than 50 pounds. Place brush at curbside on Mondays for free pickup. **There is no need to call in your address.**

ANIMAL ORDINANCE - Eldridge requires the licensing of dogs & Cats and immunization for rabies. Licenses may be obtained at the Police Station upon presentation of a valid rabies certification. Renewal of an animal license must be paid by April 30th of each year to avoid a late charge. You must clean up after your pet, whether on public or private property. Dogs & Cats are forbidden to run loose. If your dog or cat gets loose, contact the Police Office - it may have been picked up. If the animal is not licensed and picked up there will be an additional fee.

BUILDING PERMITS - City ordinance requires a permit for new construction, remodeling, electrical work, plumbing installation, heating, air conditioning, fencing, public sidewalks, driveway approach, accessory buildings larger than 120 sq. ft. of floor area, etc. Permits can be obtained from the City Building Inspector at the City Hall. Violation of this ordinance can result in a severe penalty.

SNOW REMOVAL - After **two (2) or more inches of snowfall**, or any other time a snow emergency is declared, **ALL VEHICLES MUST BE PARKED OFF THE STREET** to allow snow removal. Parked vehicles found blocking the snow removal process will be ticketed and/or towed away at the owner's expense. It is further **REQUIRED THAT SIDEWALKS ARE CLEARED AS SOON AS POSSIBLE AFTER THE SNOW STOPS**. In the event such snow and/or ice remain more than thirty-six hours (36) hours, then the city may remove snow and/or ice at the owner's expense.

POLICE DEPARTMENT - County emergency number is **911**. If you need non-emergency police assistance, the phone number is 285-9822 (this rings through City Hall during office hours and through Scott County after office hours). **Bicycle registrations** are also issued through this department. There is an Eldridge Police Officer on duty at all times.

FIRE DEPARTMENT - County emergency number is **911**. If you wish to contact the fire department for other business, please call **285-9827**. If you have any other questions please feel free to stop at the City office located at 305 North Third Street or phone **285-4841**. We are here to assist you.

COMMUNITY CENTER – The Eldridge Community Center/Skatepark is located at 400 South 16th Avenue. The Community Center is a self-supported facility owned by the City of Eldridge. Rooms are available for meetings, workshops, banquets, wedding receptions and other gatherings. A multi-purpose roller skating rink is located in the facility. Public skating is Sunday afternoons, Friday evenings and weekdays seasonally. Further information is available by calling **(563) 285-8415**.

SENIOR CITIZEN MEAL SITE – The Meal Site is located in the Eldridge Community Center. Noon meals are available by reservation on Mondays, Wednesdays, and Fridays. Further information is available by calling the Community Center (563) 285-8415 or the Meal Site manager, Arliss Whisler at (563) 285-9712.

REVISED AND ADOPTED July 1, 2016

Electric Rates

1. Residential Consumers: Applicable to single family residences, individually metered apartments and churches for all domestic purposes, including space heating, when all services are supplied through a single meter and whose entire requirements are provided by the electric utility. Not applicable to resale, stand-by, or auxiliary service.

Table with 3 columns: Item, WINTER, SUMMER. Rows: Customer Charge, All energy.

2. Residential - ALL ELECTRIC Consumers: Applicable to single family residence and individually metered apartments for all domestic purposes, including space heating, when all services are supplied through a single meter and whose entire requirements are provided by the electric utility, and the primary source of winter space heating is electrical energy. Not applicable to resale, stand-by, or auxiliary service.

Table with 3 columns: Item, WINTER, SUMMER. Rows: Customer charge, First 200 KWH, Each KWH over 200.

3. Commercial Consumers: Applicable to non-residential customers whose monthly demand does not exceed 100 kW per month for twelve (12) consecutive months and whose entire requirements are provided by the electric utility. Not applicable to resale, stand-by, or auxiliary service.

Table with 3 columns: Item, WINTER, SUMMER. Rows: Customer Charge, First 1,000 KWH, Each KWH over 1,000.

4. Industrial Power Consumers: Applicable to non-residential customers whose monthly demand exceeds 100 kW per month. Subject to a maximum of \$0.0847 per kWh during October through May and \$0.1969 per kWh during June through September. Customer shall remain on Industrial rate until demand drops below 100 kW for three (3) consecutive months. Not applicable to resale, stand-by, or auxiliary service.

Customer Charge, per month \$75.00

Monthly Demand Charge:

June through September \$10.10 per KW

October through May \$ 5.29 per KW

Energy Charge:

All energy Summer \$ 0.0460 per KWH

All energy Winter \$ 0.0440 per KWH

5. Security Lights:

100 Watt HPS \$ 7.16 per month

400 Watt HPS \$16.61 per month

All of the above security lights priced on City Utility poles, \$1.00 less if on customer's pole.

6. **Net metering:** Net Metering shall be available to any generating unit which meets all the following criteria:
1. Derives substantially all of its energy input from solar, wind, waste management, resource recovery, refuse-derived fuel, or biomass.
 2. Does not have expected annual energy production in excess of 110% of the retail customer's energy usage for the twelve (12) months prior to installation.
 3. The nameplate capacity of the installed generation at a given site is not greater than 15 kVA.

Any customer requesting Net Metering Service must complete the following steps:

1. Complete an application in a form approved by the Utility.
2. Ensure installation of an outside-mounted visible disconnect switch on the owner's side of the meter. Said disconnect switch must be accessible and provide the ability for Utility employees to operate and lock in place the switch in a manner consistent with the Utility's lock-out/tag-out procedures.
3. Have all necessary building permits and inspections completed by the relevant code enforcement agency.
4. Have the facility inspected and approved by the Utility upon completion and prior to interconnection to the Utility.
5. On an annual basis, the customer shall have an inspection of the installation completed by the Utility.

For net metering applications, a single, bi-directional meter will be installed. Customer billing for a given month will be based on the net metered energy used by the customer. If there is energy generated in a given month in excess of the customer's usage (energy supplied by customer to the Utility), the excess energy will be carried forward to the next billing month and applied as a credit against metered usage.

Any excess energy remaining in customer's account as of the end of the billing cycle ending in December will be purchased as a rate of \$0.031/kWh. The balance will be reset to zero for the January billing cycle.

7. **Demand** for billing purposes shall be the maximum integrated kilowatt demand, as recorded by a standard demand meter, occurring in any 60 minute interval in the billing month.
8. **These** rates are based upon a power factor of not less than 85% lagging. Demand charges may be increased 1-1/2% for each 1% by which the customer's power factor is less than 85% lagging. The City shall have the right to install, at the expense of the customer, any facilities necessary to bring the customer to install such facilities within 60 days after receiving notice to do so.
9. **KWH and KW**, as used in this resolution, are abbreviations for kilowatts (kW) and kilowatt-hour (kWh)
10. The above rates are based upon an Energy Cost Index of 3.81 ¢ kWh and may be increased or decreased periodically by an Energy Cost Adjustment equal to the amount by which the average cost of electric energy incurred by the Utility in the period since the last preceding adjustment is greater or less than the current Index cost.
11. These electric rates shall become effective for electric power and energy consumed after August 19, 2016.
12. Bills are mailed on the first of each month and are due upon receipt. After the 20th of each month, late payment penalties will be applied.
13. All resolutions or parts of resolutions in conflict with this resolution are hereby repealed.

WATER RATES

NOTICE

Eldridge Snow Parking Law

Parking on all residential streets is banned during a snow emergency - 2 inches or more of snow or an equivalent amount of snow from drifting. Please find off-street parking so you will be ready when a snow emergency occurs.

Parking on the street during a snow emergency is banned to allow the City to plow the snow all the way back to the curb quickly and efficiently. You may move your car back to the street after the snow or drifting stops and the City has plowed the street.

Special Snow Emergency Parking is available at these locations:

*City Parking Lot at N. 3rd & Franklin

*Water Building Lot at N. 5th & Donahue

*Faith Lutheran Church, N. 5th Street along the North edge of this lot.

*United Methodist Church Lot in the area just off of South 2nd Street.

*Junior High School Lot on S. 5th Street in the SE corner of this lot.

*On the street along Centennial park, on the West Side of N. 3rd Street and the east side of N. 4th Street, between Donahue and Davies Streets.

*cornerstone Baptist Church on E. Le Claire Rd. in the SE Corner of parking lot

Each of these parking areas is identified with signs. All vehicles must be moved from these areas within 48 hours of the end of a snow emergency. If snow is forecasted, please park your vehicle off the street prior to the snowfall. It is easier for the street crews, the police department and you, the vehicle owner, if the vehicle does not have to be moved after it has already snowed.

The Police Department will not provide warnings to owners of vehicles parked on the street. Vehicles left on the street in a snow emergency will be towed. Before that happens to you, call either City Hall at 285-4841 or the Eldridge Police at 285-9822. We will do all we can to help you find an acceptable place to park.

Your cooperation in this matter is appreciated.

CodeRED is a FREE emergency notification service provided to all residents within Eldridge that will notify you of emergency information through **phone calls, text messages, emails and social media**. The system will be used to keep you informed of local events that may immediately impact your safety. As a local resident, the City of Eldridge encourages you to take action and register your cell phone for this service and verify your home location during the enrollment process so we may target notifications that directly impact your home or business.

- Missing Children
- Emergency Preparedness
- Emergency Evacuation Notices
